

# Borough of Madison

Budget Presentation, February 27, 2017

# “Good News” Budget

The enclosed budget includes:

- \$1 million annual electric rate adjustment.
- Revised 5 year capital plan that fits within the long term budget.
- Over \$7 million in capital funding including an immediate funding for \$1 million Central Ave water main project.
- Expanded reliance on ‘predictable’ revenues and significant reduction in use of utility surplus to fund operations.
- New construction will generate \$121,000 in municipal revenue.
- Water Utility moving towards sustainability.
- Overall budget increasing a manageable 1.86%.

# General Decisions

Council should consider the following questions.

**CAPITAL:** What is the ‘right’ amount of general capital this year and beyond?

**PREDICTABLE REVENUES:** The Strategic Planning Guidelines indicate that the Borough should rely more on ‘predictable revenues’.

**SPENDING:** Are there any services that should be enhanced or reduced?

**TAXES:** What is the ‘right’ amount of taxes?

**ELECTRIC UTILITY SURPLUS:** What should be done about any excess?

# Capital

Concern discussed on February 6: Capital on 2018 - 2020 was \$5 million to \$6 million per year and only \$4.2 million per year is 'sustainable'.

**RESOLUTION:** Administration worked with Department Heads and Engineer to reduce capital needs in 2018-2020.

## Major Changes to the 5 Year Capital Plan:

- Milling & Overlay: Adjust prices based on lower asphalt costs (-\$800,000).
- Storm Water: Defer Elmer Street Box Culvert (-\$800,000)
- Sanitary Sewer: Reduce annual lining program (-\$340,000)
- Public Works: Reduce scope of DPW office space renovation (-\$150,000)
- Fire Dept: Defer funding of Engine 3 replacement with hopes of grant funding (-\$650,000) and defer funding Rescue 4 vehicle as FD is developing an alternate solution (-\$550,000).
- Police Dept: Remove OEM/ESU Vehicle and fund from operating/outside duty trust (-\$75,000)
- Library: Capital request was reduced (-\$731,000).
- Water: Capital was increased for full replacement of Central Ave Water Main (+\$730,000)

# Capital

Questions on the five year capital plan?

# Municipal Budget

Shifting to the Municipal Budget and Operating Surplus

# Slight Budget Changes

A small amount of changes were made to the budget numbers presented to Council on February 6.

- Reduction of MCJM Sewage Processing Costs.
- Increase in NJEdge Rosenet fees which were almost completely offset by additional revenue from the BOE.
- Police Grant was added (no impact on budget as \$5,500 was added to both salaries and grant revenues).
- Slight increase in Police Overtime and other expenses. Total overtime budget # is still less than 2016.

# Slight Budget Format Changes
