## NEWS & EVENTS

The order of 24 Scott Sight Cameras was delivered and promptly installed and put into service. The cameras have a screen inside the mask that allows the MFD to see through the darkest smoke to quickly locate a fire. More importantly help find a victim that might have taken much longer to find. Please come by anytime to demo one! (Robert Dunne, Madison Fire Dept)

### NJ Transit Tree Work

In order to protect critical transportation infrastructure and insure a safe operation, over the next several days, New Jersey Transit contractors will be performing necessary tree trimming along the railroad. [Click here for full details](#).
