Donations will be collected through September 15th by 5:00 p.m. We would like to thank our Mayor and Borough Council who helped support this relief initiative.

Peter Biedermann, Guitarist

Peter Biedermann will be performing on a variety of 6 and 12 string guitars in unique tunings. The program encourages questions from the audience and will also include some of the history and evolution of steel string guitar playing over the last 50+ years. Please join us for this [free program](#) on Tuesday, October 3rd, 7:00 p.m. at the Madison Public Library, 39 Keep St. Registration preferred, but drop-ins welcome as seating space permits.

Secrets of College Admissions

Students and parents are invited to join us for [Secrets of College Admissions](#), a free seminar where we'll share some of the strategies we've perfected and used to help nearly 7,000 students in our Collegewise programs get accepted into college. Madison Storyteller's Festival

Join us to celebrate storytelling in all of its forms with a day of interactive events, workshops, and musical performances, perfect for kids, teens and adults! The Madison Storytellers Festival celebrates the storytellers in our community, and empowers everyone to find new inspiration and skills to tell their own stories. The festival will take place on Saturday, September 16th, 12:00-5:00 p.m. at Madison's Culture Corner (Main St. & Green Village Rd). Email the DDC if you need additional information, ddc@rosenet.org.

Leaders In Training

The Madison Senior Center has been offered an opportunity from a volunteer group called Leaders In Training (LITs) from the Y.M.C.A. Their task will be assisting with the internet, email access, computers, or personal devices upstairs in the Computer Lab located in the Activities Room. Residents are welcome to come in to meet with volunteers with computer related questions. Feel free to bring your smart phones, tablets, and more! If this is of interest, please reach out to Sara Keffer via email at keffers@rosenet.org or call (973) 593-3094 for more information.

Paws for Reading

Studies have shown that children who read to dogs are more focused, more fluent readers than those who don't. Why? Because dogs are great listeners. The Fall Paws for Reading sessions will be held on the following Saturdays between 11:00-12 p.m. : September 23rd, October 21st, November 18th, and December 16th. Build confidence and vocabulary (and have fun) while reading to licensed therapy dogs. Recommended for children ages 5 and up – [register here](#).
