Green Holiday Tips

As we enter the holiday season, the Madison Environmental Commission

has put together some handy tips that will help keep the holidays green. The tips include:

Minimizing the use of gift wrapping paper with reusable boxes;

Consider decorating old shoe boxes which you can use year after year;

Remember, the only gift wrapping that’s recyclable consists of 100% paper.

Leaf Collection Continues

Leaf collection continues throughout the borough.

Department of Public Works has completed one pass through, and is currently working on the second pass-through. Residents are reminded of the three ways we offer for leaf collection:

2. Bring your debris to the DPW Garage on weekdays from 7:30 A.M. to 3:00 P.M.;
3. Rake all leaves to the curb.
