They are also continuing their monitoring of the control issues at the James Park substation. Two new lamp posts are being installed at the west side of the train station to improve lighting and safety.

Public Works and Engineering
Mr. Catalanello, Chair of the Committee, made the following comments:
Mr. Catalanello reminded residents that twice a week garbage pickup will commence on May 20 and continue through September 14, 2013. A street by street listing is included in the Madison Recycling Newsletter. Newsletters are available in the Council Chamber, online and in the Clerk’s office. Mr. Catalanello reminded residents that milling is scheduled to begin on Rosedale Avenue on Thursday, May 16, and paving will begin on Tuesday, May 21. The project should be completed by Thursday, May 23. Residents will be notified before milling begins and can contact the Borough Engineer, Bob Vogel, with further questions. Mr. Catalanello stated that he will submit an Agenda Recommendation for the next meeting.

Community Affairs
Mr. Landrigan, Chair of the Committee, made the following comments:
Mr. Landrigan reported that May Day was a great success. About 1,000 volunteers participated in the event and approximately 40 truckloads of mulch were spread throughout the town. Mr. Landrigan thanked all those who participated. Mr. Landrigan commented that part of May Day was funded by a Clean Community Grant and this year the Borough will receive approximately $26,000 from the New Jersey Department of Environmental Protection. The Farmer’s Market is scheduled to begin on June 6, 2013. The Rotary Club will hold a Rotary Family Festival on June 15 and 16 in the Realogy parking lot. The proceeds from this event will be used to continue support for families of Union Beach.

Public Safety
Ms. Baillie, Chair of the Committee, made the following comments:
Ms. Baillie reported that the Complete Streets Committee met on May 1, 2013. There was a discussion on the Samson Avenue reconstruction project regarding commercial property and how vehicles enter and exit onto Samson Avenue. The Police Department is looking into the committee’s suggestions for street and sidewalk safety. Mr. Baillie also reported that a separate meeting is planned with residents to discuss other issues regarding the commercial property. The Borough is
exploring all issues with the Health Officer, Zoning Officer and New Jersey Transit. Ms. Baillie also reported that the Open Space, Recreation and Historic Preservation Advisory Committee met last week to discuss a proposed Ordinance that would require quarterly reporting to the Council beginning in July. The Committee has been working on an open space fund request form to be used for processing grant requests. This procedure will assure that the committee has all the pertinent information needed for funding requests in order to advise the Council. Ms. Baillie reported that during the month of April the Fire Department responded to 95 calls, including 42 medical calls, 20 general alarms and 14 still alarms and 19 investigations. The Fire department also inspected 30 single and two family homes for resale to insure smoke detector and CO compliance, as well as 77 fire prevention inspections. Finance and Borough Clerk
Mr. Wolkowitz, Chair of the Committee, made the following comments:
Mr. Wolkowitz reported that the Borough of Madison has received a report from Standard and Poors. Mr. Wolkowitz stated that the report was not very different from previous reports. Mr. Wolkowitz commented that Standard and Poors did affirm the Borough of Madison’s AAA rating but they did continue reporting a negative outlook. Mr. Wolkowitz read the outlook report as follows: “The negative outlook reflects Standard and Poors opinion of the Borough’s weakened finances and recent history of operating deficits through fiscal year 2010. However, in fiscal years 2011 and 2012 the Borough took significant steps toward restoring structural balance in the current fund. If the Borough should maintain balanced current fund operations and very strong reserves, we could revise the outlook back to stable within the two year outlook horizon.” Mr. Wolkowitz further stated that the text of the memorandum is pretty much the same. Mr. Wolkowitz also reported that the Borough should soon receive audited financials for 2012. In August of this year the Borough will be issuing bonds to pay for the 49 acres and a portion of the fields and, at that point, Standard and Poors will issue another report. Mr. Wolkowitz announced that the period for filing property tax appeals has ended. There is a meeting scheduled for next week with Certified Valuations and he hopes to have more information to share at the next meeting.

Mayor Conley made the following comments:
Mayor Conley thanked all the volunteers who worked to make May Day a great success. Mayor Conley opened up the public hearing on Ordinance 13-2013. Since no member of the public wished to be heard, the public hearing was closed.

Mrs. Tsukamoto moved that Ordinance 13-2013, which the Deputy Borough Clerk read by title, be finally adopted. Mrs. Vitale seconded the motion. There was no Council discussion, and the motion passed with the following roll call vote recorded:

Yeas:  Mrs. Tsukamoto, Mr. Catalanello, Mr. Landrigan.
       Mrs. Vitale, Ms. Baillie, Mr. Wolkowitz
Nays:   None
Mayor Conley declared Ordinance 13-2013 adopted and finally passed and ordered the Clerk to publish the notice thereof in the newspaper and to record the ordinance as required by law.

ORDINANCE OF THE BOROUGH OF MADISON APPROPRIATING $50,000.00 FROM THE GENERAL CAPITAL IMPROVEMENT FUND FOR THE PURCHASE OF A POLICE DEPARTMENT VEHICLE AND ACCESSORIES

Mayor Conley opened up the public hearing on Ordinance 14-2013. Since no member of the public wished to be heard, the public hearing was closed.

Ms. Baillie moved that Ordinance 14-2013, which the Deputy Borough Clerk read by title, be finally adopted. Mr. Wolkowitz seconded the motion. There was no Council discussion, and the motion passed with the following roll call vote recorded:

Yeas: Mrs. Tsukamoto, Mr. Catalanello, Mr. Landrigan.
Mrs. Vitale, Ms. Baillie, Mr. Wolkowitz

Nays: None

Mayor Conley declared Ordinance 14-2013 adopted and finally passed and ordered the Clerk to publish the notice thereof in the newspaper and to record the ordinance as required by law.

ORDINANCE 15-2013

ORDINANCE OF THE BOROUGH OF MADISON AMENDING CHAPTER 25 OF THE BOROUGH CODE ENTITLED “OPEN SPACE, RECREATION AND HISTORIC PRESERVATION COMMITTEE” TO SPECIFY REPORTING REQUIREMENTS TO THE GOVERNING BODY

Mayor Conley opened up the public hearing on Ordinance 15-2013.

Pat Rowe, Pine Avenue, thanked the Council for putting this item on the Agenda. Mr. Rowe feels that going forward quarterly reporting is a good way to inform the Mayor and Council how money is being spent. Mr. Rowe would also like to see a report accounting for the money that has come in to the Borough for open space tax for the past ten years. He asked for clarification as to the responsibilities of the Committee versus the responsibilities of the Borough. Borough Attorney, Mr. Giacobbe provided an explanation. Mr. Rowe also requested that a full copy, including the body of the ordinance, be published prior to the meeting for those who can’t make it to the meetings.

Ms. Baillie moved that Ordinance 15-2013, which the Deputy Borough Clerk read by title, be finally adopted. Mr. Wolkowitz seconded the motion. Mrs. Tsukamoto commented that the Open Space committee is an advisory committee with appointed volunteers. Its responsibility is to make recommendations to the Mayor and Council on acquisition and preservation projects for open space, active and passive recreation, and historic purposes. The committee does not have project oversight, budget management and fiduciary responsibility of the Open Space trust fund. Therefore, I believe that the Administration, along with department heads and the CFO, should be held accountable for providing the Governing Body, the
committee and the public with these reports. Not the other way around. We should not be singling out this committee and pass on the project oversight, budget and financial reporting responsibilities to this group of volunteers. Policy change should be made across the board for all committees, not just this one.

Following Council discussion, the motion passed with the following roll call vote recorded:

Yea: Mr. Catalanello, Mr. Landrigan.
    Mrs. Vitale, Ms. Baillie, Mr. Wolkowitz
Nays: Mrs. Tsukamoto

Mayor Conley declared Ordinance 15-2013 adopted and finally passed and ordered the Clerk to publish the notice thereof in the newspaper and to record the ordinance as required by law.

He/she shall limit his/her statement to three (3) minutes or less.

Pat Rowe, Pine Avenue, asked the Mayor for an update on the proposed helipad at the Jet’s facility in Florham Park. Borough Attorney, Matthew Giacobbe, explained that the Borough cannot oppose the helipad because of an Agreement that was signed at the time of the land swap that precludes the Borough from challenging any applications before the Florham Park Planning Board. Mr. Rowe stated he would remove the names of Council Members who signed the petition.

Frank Merckx, Loantaka Way, thanked the Mayor and Council for the amendments to Ordinance 16-2013.

Sam Cerciello, Park Avenue, suggested that Public Works power wash the garbage cans in the center of town, as well as the NJ Transit Wall on Kings Road. Mr. Cerciello also asked that a letter be written to the garbage company asking that cans be put back gently. Mr. Cerciello requested that the Mayor and Council contact the post office due to the poor condition of the building. He asked if anything is being done about the newspaper receptacles in town and he also stated his concerns regarding traffic congestion due to the new location of the Farmer’s Market.
