Following discussion there was agreement to list a resolution supporting A-3393/S-2324, legislation which would clearly identify the telecommunications carriers subject to taxation on their business personal property and remove the budget uncertainty caused by Verizon’s obfuscation.

Resolution R 263-2012 is listed on Consent Agenda.
Mr. Landrigan, in his role as Office of Emergency Management Coordinator, provided a report on the storm damage and cleanup efforts, noting that an estimated cost will be in excess of $20,000,000.00, with 30 homes sustaining major damage, more than 100 homes with minor damage and over 2500 others suffering storm related harm. Mr. Landrigan was happy to report no death or injuries occurred. During the storm all major roads were blocked and many secondary roads as well, but by Wednesday, all roads within the Borough have been cleared. By Thursday, eighty-five percent of the electric infrastructure has been restored. Mr. Landrigan thanked Electric Utility Superintendent Michael Piano and his crew for their efforts.
