- New Fiscal Year
 - MAASA will be receiving an allocation of \$11,304.00 for the new grant cycle of 2021-2025.
 - Application will be completed by Jenna Atmeh and Thomas Downs.
- Programs in Planning / Executed
 - Red Ribbon Week: Madison Junior School and Madison High School
 - MJS had giveaways from MAASA related to Red Ribbon Week and had participated in a question and answer game.
 - Madison High School received MAASA giveaways and also participated in a question and answer game.
 - The game consisted of the following topics; vaping, marijuana, alcohol and drugs.
 - Many students participated in Red Ribbon Week at both schools.
 - Bottle Hill Day
 - MAASA Table and Arrive Alive
 - Arrive Alive had one of their highest number of participants from Bottle Hill Day.
 - Arrive Alive will be sending over their data collection for us to view.
 - Update on Life Skills Training
 - The Life Skills Training is instructed by Brendan Gibbons.
 - The training is at Madison Junior School for a 7th grade class.
 - Incorporating mindfulness in and out of the classroom.
 - Students learn ways to overcome mental health and not turn to alcohol, smoking or drugs to make them “feel better.”

- New Business
 - MAASA Coordinator was officially named to be Jenna Atmeh.
 - Health Educator for Madison Health Department.
 - Discussion – Voting for funds toward Madison High School
 - Night time assembly speaker for parents and students in Winter 2020.
 - Chris Herren: second speaker for just the students in Spring 2020.
 - Discussion – Potential reimbursement to Madison High School
 - Students from a graphic arts class may be creating Substance Abuse inspired posters.
- Other Discussion / Partner Updates
 - Madison Chatham Coalition Coordinator
 - Discussion – upcoming events.
 - Vaping Panel: November 12
 - Forum on Marijuana: February 2020
 - Hidden in Plain Sight: TBD
- Time Regular Meeting Adjourned: 1:17 pm
