Our File No. 2022-6106

Dear Ms. Boardman

I represent the applicant Theresa Bocchino in this matter. This matter is currently scheduled for the April 13, 2023 Board hearing. In connection with the application, my client is proposing a slightly different first floor layout as an alternative plan. This does not materially affect the application but we wanted to submit the revised alternative plan for the first floor. As such, enclosed please find fifteen (15) copies of revised page A2 dated March 13, 2023. There are no other changes to the plans.

I will send electronic copies of all our plans and application for posting to the website.

Thank you.

Very truly yours,
