Paws for Reading

Studies have shown that children who read to dogs are more focused, more fluent readers than those who don't. Why? Because dogs are great listeners. The Fall Paws for Reading sessions will be held on the following Saturdays between 11:00-12 p.m. : September 23rd, October 21st, November 18th, and December 16th. Build confidence and vocabulary (and have fun) while reading to licensed therapy dogs. Recommended for children ages 5 and up – [register here](#).
